F BLOCK T4

F Block T4 is the smallest of five first floor rooms that make up Brick Lane's most exceptional exhibition halls, situated in a newly redeveloped warehouse of over 53,000 sqft. Due to its location, adjoining the impressive T1 space, T4 is a perfect ancillary room for any event and could function as a cloakroom, reception, catering area, green room or backstage area. Alternatively T4, with its entrance from Ely's Yard and its own reception area is a fantastic and intimate venue for exhibitions & filming and ideal for installations & screenings as T4 is an internal space and can be easily blacked out.

The Old Truman Brewery is an historic 11 acre site on Brick Lane, London E1, housing a variety of unique dry hire, blank canvas-style spaces for rental / leasehold, ranging from 2,000 sqft to 100,000 sqft.

The site has grown to become 'The dynamic centre' for the new wave of young creative business entrepreneurs in London. It spans both sides of Brick Lane just to the east of The City. The 19 buildings that encompass the site range in architectural style and size, with courtyards and alleyways steeped in history and fable running between them, maintaining the ambience of this seventeenth century treasure chest. The Brewery combines both office and event spaces and is now the home to some of the most exciting, creative businesses and retail outlets in London. Cafes sit alongside hairdressers, clothing and furniture shops and at night Londoners descend upon The Brewery's own Vibe Bar, The Big Chill Bar and 93 Feet East live music venue for some of the coolest nights out in London.

Labelled "… the eye of the creative storm in London's East End" by The Independent, it is at the heart of one of London's most exciting areas.
The Old Truman Brewery continues to grow, remaining as pragmatic as ever and constantly adapting to the demands of the eclectic marketplace that it created.
